

AQUATIC LIFTS

Lolo Water Powered ADA Pool Lift

The Lolo pool lift is designed to accommodate in-ground pools without customization. The Lolo ADA pool lifts accommodate in-ground pools having a minimum deck to pool bottom dimension of 42" (typically 36" water depth). Standard units will accommodate various anchor locations from the pool wall.

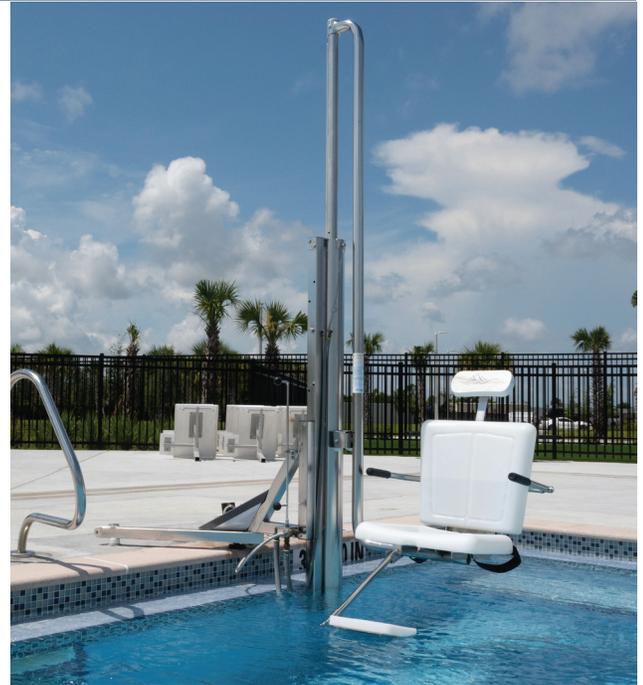

FEATURES:

- ADA/ABA Compliant and Title 24: California Code of Regulations
- 400 pound lifting capacity
- Passivated stainless steel – no dissimilar metals
- Dual point anchor
- Large diameter cylinder and piston designed specifically to provide greater and quicker lifting capacity
- Adjustable padded headrest for full support
- Large spacious seat designed for ease of transfer
- Durable low density polyethylene footrest with non-slip surface for safety and comfort
- Base stand accommodates a wide range of gutter

INCLUDES:

- 5 year structural warranty
- 2 year electronics warranty
