On Your Mark... Get Set...

Dash

Designed as the successor to the Record Breaker Starting Block, Dash delivers durable, competition-ready performance at an economical price point.

As your program grows, Dash easily upgrades to the Sprint with Rapid Lock™, giving facilities the flexibility to invest today and advance tomorrow.

Endorsed by
Gold Medal Olympian
Katharine Berkoff

"The Dash is one of my favorite starting blocks. I love the large platform because it gives me plenty of room to feel comfortable and confident. It's a great block for all types of swimmers."
